TEAM NEWS:

Callouts: None in November but there will be an **evidence search on Tuesday, Nov. 28th at 10 am out at Ogden Bay.** This a follow up on a recent recovery and the WCSO is looking for evidence in conjunction with this event. Kayaks, ATVs, and horses will be needed for the search. The hunts are currently going on and we want to stay away from the weekend and Tuesday is one of the few days next week when the weather will be good. Show up at 10 am. Leaders call team members. Drive out 5500 South to 7500 West and head north until you reach Ogden Bay. Most of the teams will go over the bridge and drive down the road to the left to deploy at the far end of the south run channel, CSI will be down there. The boats and kayaks will start at the bridge.

Radios: We would also like to encourage team members to take the **HAM license test.** There are 3 opportunities to test for your HAM license coming up in early December: 12/02/17 (Sat.) Logan Richard D. Elwood, KE7GYD email (435) 770-7050

12/02/17 (Sat.) Salt Lake C. Gordon Smith, K7HFV web (801) 582-2438 (If you plan to test for a license, be sure to contact Gordon Smith, K7HFV, at least one day before the exam date.)

12/06/17 (Wed.) Clearfield Mike Youngs, KK7VZ (801) 573-3922 (Pre-registration required. Contact Mike Youngs prior to the examination date or register here <https://hamstudy.org/sessions/>)

For more locations and dates: <https://user.xmission.com/~uarc/testinfo.html> <https://user.xmission.com/~uarc/testinfo.html>. For information on how to study for the exam, google ham exam or test practice, or some variation of those search terms. There are numerous ways to study for the HAM exam and it's an easy test to take.

* Our December 5th meeting will be held in McKay Dee's education auditorium. The main topic will be the **Avalanche Refresher** along with update for the team members on various happenings at the nearby resorts. There is plenty of room in the auditorium so family and friends are invited. The refresher will however, be geared towards the professional rescuer.

We have set up the schedule for the **Endurance (Pack) Tests** for 2018: Saturdays, 13 Jan. & 30 Jun. at 8:15 am at WSU and Tuesdays, 3 Apr. & 2 Oct. at the WCSO.
