TEAM NEWS:

Callout: March 24, Jump-off Canyon, 1830, patient scrambled up into the cliff area on the south side of the canyon and fell around 20 feet. Compound fracture of femur, multiple fractures, bleeding, calling for help. Medical arrived and hiked up, SAR hasty teams deployed as soon as arrived. Patient status in rapid decline. Life Flight did not have flight medic available, so DHP called for hoist. Climb team arrived on scene quickly, looked for possible LZ in case DHP was unable to hoist, and assisted medical. Hoist successful and DHP set patient down near LF on canal road. Flew straight to SLC.
