TEAM NEWS:

Callout - Saturday, Aug 5th Nordic Valley ATV rollover rescue, patient was a volunteer for the Spartan race. Two racers were first on scene and stayed to assist with medical and the Life Flight hoist evac. The UTV he was driving rolled about 200 ft off a steep slope and climb team responded to assist medical. The rescue went very well and the patient was hoisted out successfully thanks in part to a nurse who was running and stopped to administer first aid. Our team did an excellent job with this rescue. Thanks to all who responded.

Callout - Saturday, Aug 12th Green Pond Biker. Mountain Biker was knocked out. Called for a helicopter without a hoist. Sgt. Horton and Dep. Malan used the new smoke flares, which allowed the helicopter to see where to land as well the wind direction to help them to land. Everyone was pleased with the use of the smoke flares and Lt. Toll has located a cheaper source for replacements.

Endurance Test, Oct 3rd: There are a number of WCSAR team members who have not taken the endurance test yet. The last test for 2017 is Oct 3rd at 5:45 pm at the WCSO. Come early to fill out forms.

Radio Proposal: Dakota H. and the climb team recently met and discussed the ongoing problem of reliable radio communications during callouts. A proposal to supplement the 800 radios and Rinos with individually owned Baofeng HAM radios will be discussed briefly at the September 5th Tuesday meeting and more in depth at the October 3rd Tuesday meeting. This proposal also recommends that we change our 4/12 FRS channel to GMRS 1/12 channel (FRS 15/12) which has less traffic.
